

F1 FUSES AMPACITY	
MODEL	AMPACITY
I25-100	3x20A
I25-120	3x20A
I25-140	3x25A
I25-140AV	3x25A

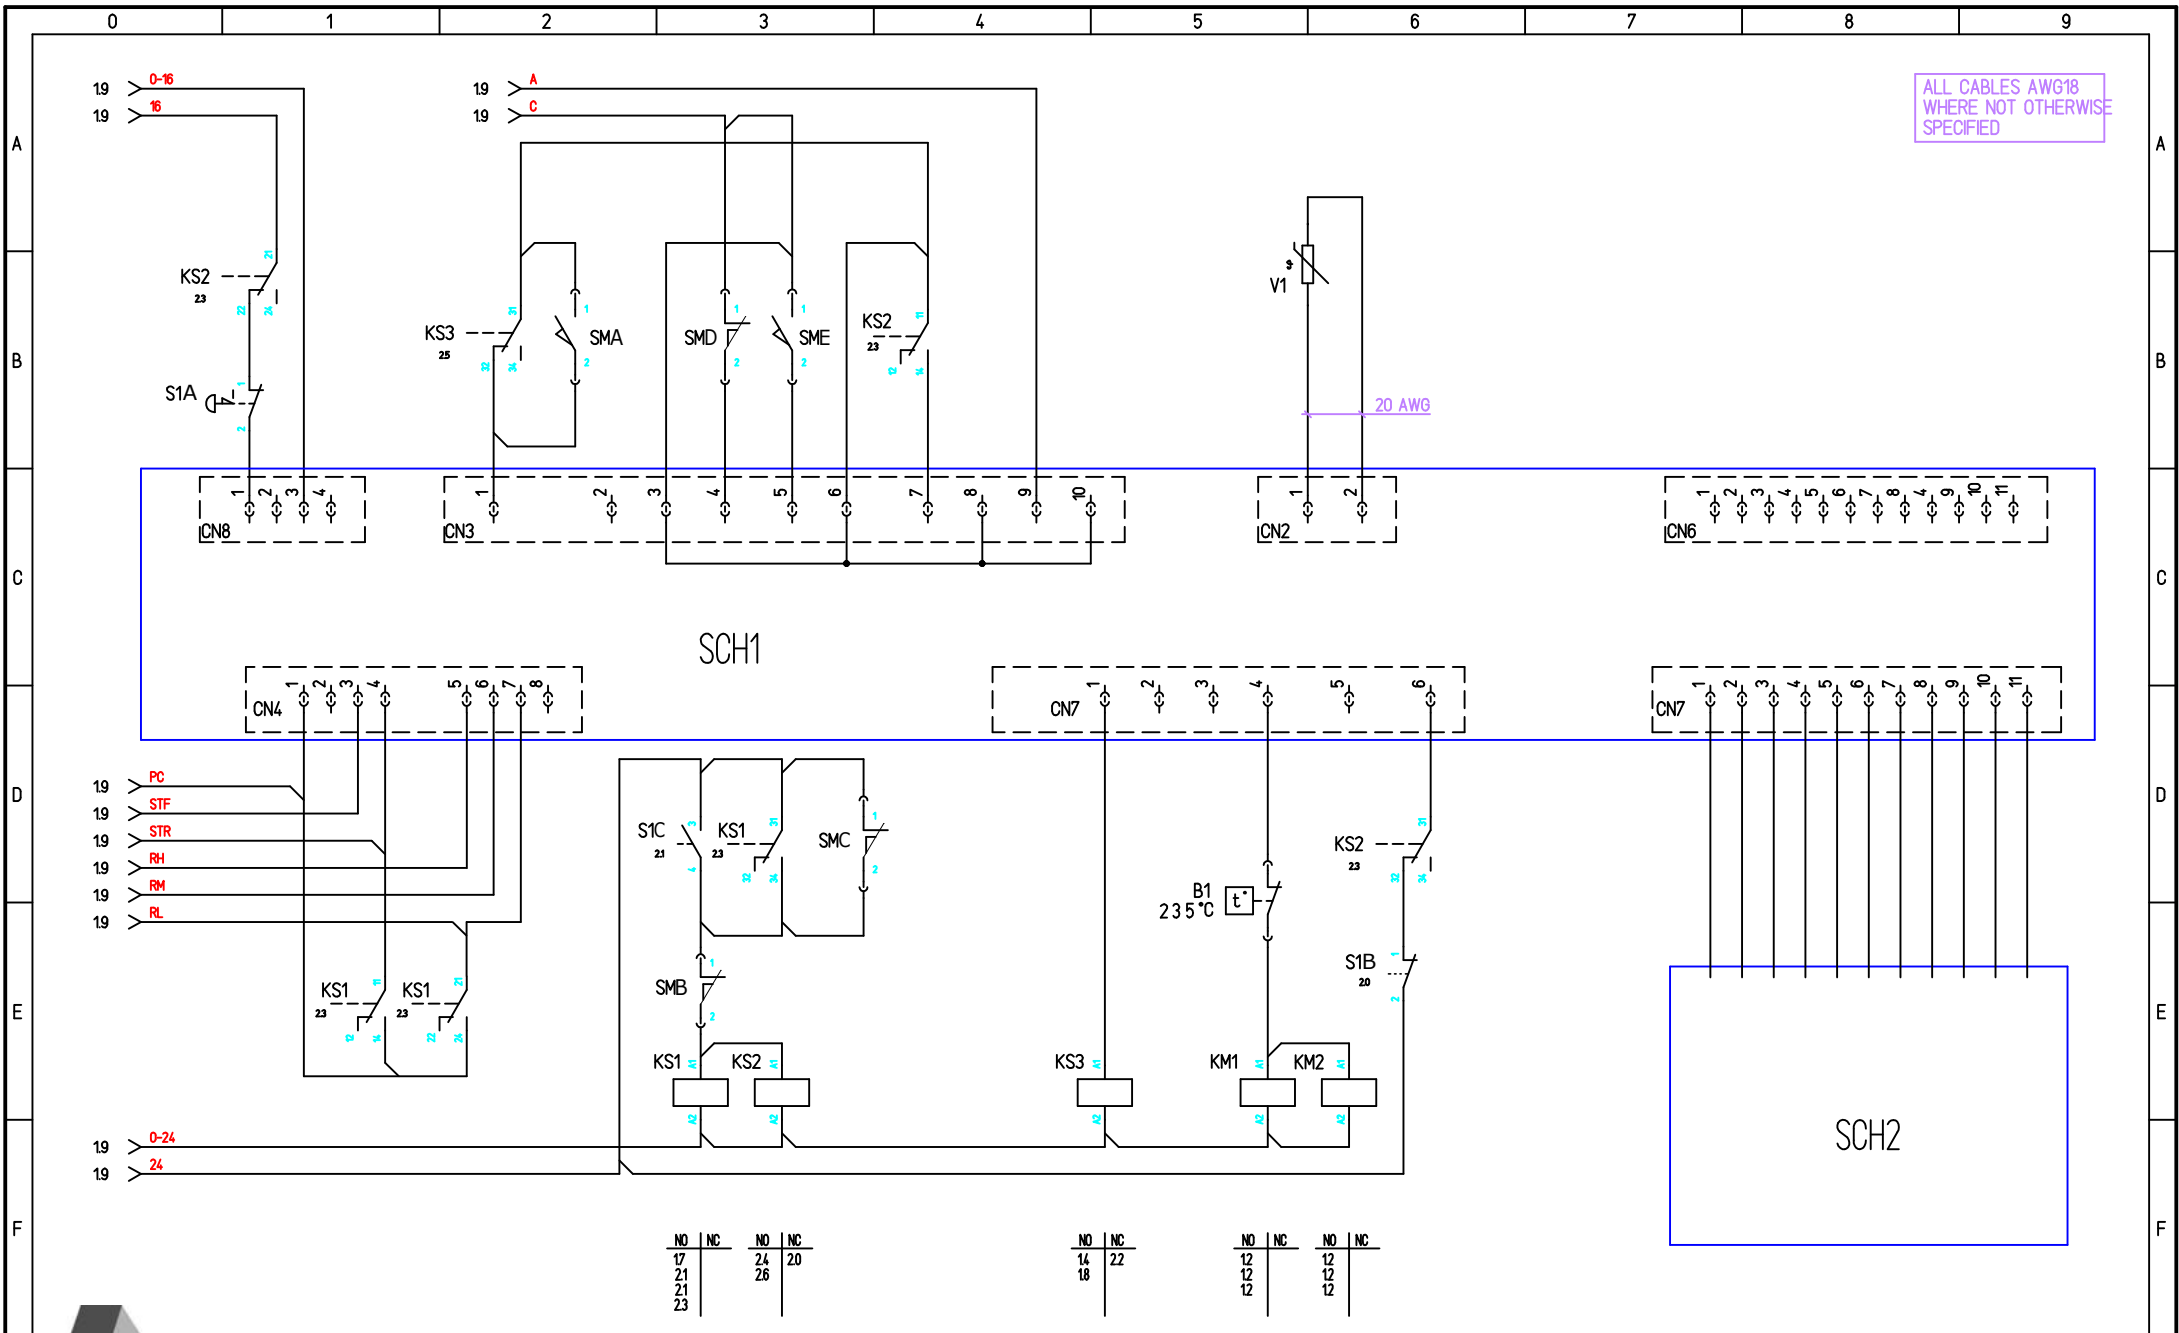

RESISTORS POWER	
MODEL	POWER
I25-100	3x1700W
I25-120	3x2000W
I25-140	3x2800W

I25-100/120/140

Project:	Drawing no: I25-140 UL	Init:	Rev.: 09	Sheet: 1
Date: 11/10/2016	Function:	Location:	Total sheets: 5	Next sheet: 2

0			1			2			3			4			5			6			7			8			9		
A	SYMBOL	NAME	DESCRIPTION																					A					
		Q1	Sezionatore generale Main switch Interrupteur principal -																										
		F1	Fusibili resistenze Resistors fuses Fusibles du r?sistances -																										
		F2	Fusibile trasformatore Transformer fuse Fusible du transformateur -																										
B																								B					
		F3	Fusibile circuito 120V 120V electric circuit fuse Fusible du circuit ?lectrique ? 120V -																										
		F4	Fusibile circuito 24V 24V electric circuit fuse Fusible du circuit ?lectrique ? 24V -																										
		F5	Fusibile circuito 16V 16V electric circuit fuse Fusible du circuit ?lectrique ? 16V -																										
C																								C					
		F6	Fusibile circuito 230V 230V electric circuit fuse Fusible du circuit ?lectrique ? 230V -																										
		KM1	Contattore Resistenze Riscaldamento Heating resistors contactor Contacteur des r?sistances chauffantes -																										
		KM2	Contattore Resistenze Riscaldamento Heating resistors contactor Contacteur des r?sistances chauffantes -																										
D																								D					
		KS1	Rel? ausiliario Auxiliary relay Relais auxiliaire -																										
		KS2	Rel? ausiliario Auxiliary relay Relais auxiliaire -																										
E	SYMBOL	NAME	DESCRIPTION																					E					
		KS3	Auxiliary relay Relais auxiliaire -																										
		R1	Resistenze Riscaldamento Heating resistors R?sistances chauffantes -																										
		T1	Trasformatore Transformer Transformateur -																										
F																								F					
		M1	Motore rullo Roller motor Moteur du cylindre de repassage -																										
		M2	Motore ventilatore Fan motor Moteur de la soufflante -																										
		SCH1	Scheda elettronica Electronic board Carte ?lectronique -																										
		SCH2	Tastiera Keyboard Clavier -																										
		S1	Pulsante di emergenza Emergency push button Bouton d'urgence -																										
		SMA	Microinterruttore conca alta Basin in high position microswitch Microinterrupteur vall?e en position haute -																										
		SMB	Microinterruttore conca alta Basin in high position microswitch Microinterrupteur vall?e en position haute -																										
		SMD	Microinterruttore pedale Pedal microswitch Microinterrupteur du p?dalier ? levier -
